Retail Display Products

Main Ball Options

Replace casters with low profile omni-directional ball transfers. Hudson Bearings' ball transfers work wonders for retail displays and furniture applications.

Hudson Hauler 2,400 LB Load Cap.

Simplify moving retail fixtures and heavy equipment installation. The Hudson Hauler's compact, light-weight design makes it extremely portable and minimizes required lift.

Stainless Steel Products

Our extensive line of stainless steel ball transfers are the perfect solution for food processing and wet / outdoor environments.
